Competition Rules and Regulations

2025 Outstanding Educator Award

1. Purpose

The purpose of the Outstanding Educator Award is to provide recognition and encouragement for university teaching faculty members in construction education.

2. Eligibility

A nominee must be a **full-time teaching faculty** member of a four-year university construction program or a construction-related engineering program with an institution-approved construction option. Program must be accredited either by ACCE (American Council for Construction Education) or ABET (Accreditation Board for Engineering and Technology). **Nominees must have at least four (4) years full-time teaching experience.**

Non-teaching administrators, such as department heads, program coordinators and higher positions,
